Important

This symbol with “WARNING” is intended to alert the user to the presence of critical instructions/procedures. Failure to observe the instructions/procedures can result in injury, death, damage to the product and/or property.

This symbol with “CAUTION” is intended to alert the user to the presence of important instructions/procedures. Failure to observe the instructions/procedures can result in injury or damage to the product and/or property.

Use of the Apple CarPlay logo means that a vehicle user interface meets Apple performance standards. Apple is not responsible for the operation of this vehicle or its compliance with safety and regulatory standards. Please note that the use of this product with iPhone or iPod may affect wireless performance. iPhone is trademark of Apple Inc., registered in the U.S. and other countries. Apple CarPlay is a trademark of Apple Inc.

The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Boss Audio Systems is under license. Other trademarks and trade names are those of their respective owners.

IMPORTANT

Record the serial number of the product:

Model:

Serial Number:

Date of Purchase:

The serial number is located on the top part of the chassis.

Caution

Precautions

BE SURE TO OBSERVE THE FOLLOWING GUIDELINES: Do not turn up the volume so high that you can't hear what's around you.

Use caution or temporarily discontinue use in potentially hazardous situations.

Do not operate mobile video equipment while driving a motorized vehicle – safe driving and safety consideration of others should always be your highest priority.

Set your volume control at a low setting, then slowly increase the sound until you can hear it comfortably without distortion, or ear discomfort.

In the event you should notice smoke, strange noises or odor from this product, or any other abnormal signs, immediately turn off the power and consult your dealer or the nearest authorized **BOSS AUDIO SYSTEMS** Service Center.

Using this product in this condition may result in permanent damage to the system.

Installation Precautions

Boss Audio Systems does not recommend to install the product yourself.

We recommend to have it professionally installed by a certified professional.

Always consult with a professional installer .

Do not attempt to install or service this product by yourself. Installation or servicing of this product by persons without professional training and experience in electronic equipment and motorized vehicle accessories may be dangerous and could expose you to the risk of electric shock, injury or other hazards

Refer any repairs to a qualified BOSS AUDIO SYSTEMS Service Center

Caution

Before Installing

To avoid potential shorts in the electrical system, be sure to disconnect the (-) battery cable before installation.

Use this unit with a 12-volt battery and negative grounding only. Failure to do so may result in a fire or malfunction.

Product Safety

It is against Federal and Local laws for video to be viewed by the driver while the vehicle is in motion. This video product was intended to be used with the parking brake safety feature. Video cannot be seen without the proper parking brake powered connection. Tampering or disabling this feature will void any and all warranty. Please check with a professional installer to have your product installed properly.

Important Note

Due to ongoing enhancements, example images on screens may slightly differ from actual product.

Caution

Images and Video

Watching video while driving is against Federal, State, and Local laws.

Drive safely, know and obey traffic rules. Watching this screen and making selections while driving can lead to a serious accident.

Check surroundings for safety while camera images are displayed.

Do not use features of this product while driving if it cannot be operated safely and legally in your location. Before operation of smartphone Apps accessible from this device, read safety instructions in your Owner's Manual. When using navigation Apps stay alert to observe real world conditions.

About this manual

To entirely understand how to properly use your new Boss product, it is recommended to read this entire user's manual, and keep it in a safe place for future reference.

- Read the entire manual
- Keep the manual
- Follow all instructions
- Clean with a dry cloth only
- Do not use or operate near water
- Do not defeat any safety features

California Residents (Proposition 65)

This product may contain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

- Touch and Hold** Mute

Display On

- Touch** the display to reactivate

Power On /Standby

1. **Touch** once to Power ON
2. **Touch and Hold** for Standby

NOTE

In **Standby Mode**, the LED will slowly pulse on and off.

Basic Product Operation

Using and Caring for the Touchscreen

Use:

This head unit utilizes a Capacitive Touchscreen, the same type that is used on high-end mobile devices. It should be used for and cared for like that type of device. As with all capacitive type technology, if your fingers are wet or sweaty, it will not function properly.

Do not allow any sharp objects to come in contact with the screen glass.

Care and Cleaning:

To clean the screen, use a dry microfiber type cloth to clean. Do not use ammonia, window cleaner, or any other type of household chemicals to clean the screen. Abrasives should not be used at all.

Basic Product Operation

Product Setup (Date & Time)

Setup Option A: CarPlay Method

Connect your Apple® device using a Lightning® cable*. The CarPlay USB port must be used.

This will automatically setup the time and date.

User must set Time Zone manually.

Default is Pacific Time Zone

Setup Option B: Date and Time

Additional Setup

Apple CarPlay

Using CarPlay

Note

Apple CarPlay usage is limited while driving. Functions, contents, and usability is determined by the App provider(s).

Controls will vary with each App that is available for CarPlay.

For more details visit:

<http://www.apple.com/ios/carplay>

WARNING

Familiarize yourself with your Local and State laws regarding mobile devices.

Certain functions of an iPhone might be prohibited and or illegal while driving in your location.

When in doubt, park the vehicle and engage the parking brake first before performing the function(s).

Connecting to CarPlay USB Port

1. Connect the CarPlay compatible device via LIGHTNING® cable (not included).
2. The iPhone will load the CarPlay function.
3. On the display, the CarPlay will illuminate green, touch it to enter the CarPlay menu.
4. To return to the product Home menu,

Touch

NOTE

The product's Bluetooth will turn **OFF** automatically when CarPlay is in use. Hands-free phoning will function through the CarPlay feature.

When using CarPlay, there is no need to pair your iPhone, the USB cable connected through the USB Port (1) will enable this feature.

If other devices are connected via Bluetooth, they will be disconnected for the duration of CarPlay use.

Gestures & Control

Basic controls, but not limited to:

Touch

Swipe

Dragging

Other gestures and controls might differ on each App.

NOTE

Volume control is handled exclusively by the product.

Apple CarPlay

Using CarPlay

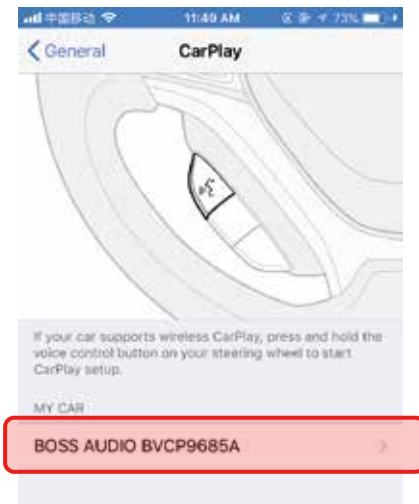

CarPlay Display Setup

1. Using your iPhone:

Settings > General > CarPlay

2. **Touch and Hold** each App icon to move.

To remove an App, **Touch** 

NOTE

Only Apps with the  icon can be removed from CarPlay.

How to Disable Apps

1. Using your iPhone:

Settings > Notifications > *App to Disable*

Android Auto

Using Android Auto

Note

Android Auto usage is limited while driving.

Functions, contents, and usability is determined by the App provider(s).

Controls will vary with each App that is available for Android Auto.

For more details visit:

<https://www.android.com/auto/>

WARNING

Familiarize yourself with your Local and State laws regarding mobile devices.

Certain functions of the mobile device might be prohibited and or illegal while driving in your location.

When in doubt, park the vehicle and engage the parking brake first before performing the function(s).

NOTE

To complete the setup properly, the Parking Brake status wire must be connected.

WARNING

For your safety, the setup process **MUST** be accomplished while the vehicle is **Parked and Parking Brake Engaged**.

Android Auto App

1. Using your Android device, download the **Android Auto** app on Google Play.

Minimum Requirements:

Android 5.0 Lollipop

For a list of compatible devices:

<https://www.android.com/auto/>

Updating Related Apps

1. During the first start up and setup of the Android Auto app, the Maps, Music, Google apps will install/update automatically.

Connecting to Android Auto USB Port

1. Connect the Android compatible device via the appropriate USB cable (not included).
2. The Android device will load the Android Auto function.
3. Bluetooth will connect automatically when the setup is completed.
4. To return to the product **Home** menu,

Touch

Android Auto Permissions Permissions

Several features can be allowed or denied access to customize your usability of the product.

The access can always be modified in Settings on the Android device.

Bluetooth®

Setup & Connection

Hands-Free Menu

Touch

NOTE

CarPlay must not be active. If being used, disconnect the iPhone to start Bluetooth.

Compatibility with all mobile devices is not guaranteed. Please read through the user's guide of the mobile device.

CAUTION

For your safety, the setup process should be accomplished while the vehicle is parked and parking brake engaged.

First time Pairing

Using your phone, media or other Bluetooth device, try to connect to this headunit.

Mobile Device:
Search for **BOSS AUDIO BVCP9685A**

iOS Devices: **Settings > Bluetooth**

Android Devices: **Settings > Connections > Bluetooth**

A passcode is generated and will display on both the head unit and mobile device for secure pairing.

Touch  to confirm

Every time the product is powered ON, the mobile device will automatically connect if within range.

NOTE

Once paired and connected, the device list will display the available Bluetooth profiles.

Phonebook and History

To **Download Phonebook:**

1. Touch **Contact > Download**

To **Download History**

1. Touch **History > Download**

Default Setting: **OFF**

Connections

Power/SWC/MIC

CAUTION

It is recommended to have the product installed by a certified installation professional.

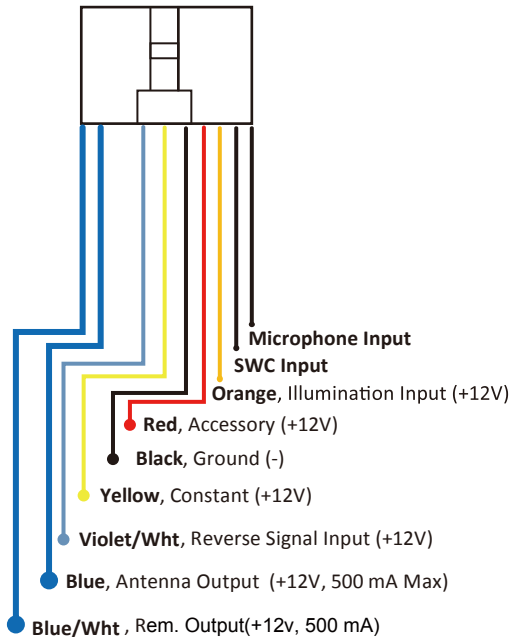

CAUTION

Before installation, or wiring connections, disconnect the negative (-) battery terminal to prevent damage to the product, and/or possible injury.

CAUTION

Remote Out is 500 mA max output rating. If several amplifiers are to be used, it is recommended to use a relay for the Remote Out trigger.

Note

Unused input/output wires need be insulated with tape, heat shrink, or crimp connectors. **Never use wire nuts.**

Location to plug in

Note

A separate interface might be needed for your vehicle application. It is recommend that you consult with a professional installer.

Note

When replacing the fuse, always do so with the same type and value (**15 A**).

Connections

Speakers

⚠ CAUTION

Do not chassis ground any speaker wire leads.

⚠ CAUTION

Only use 4-8 Ω Speakers

Do not use 1-3 Ω Speakers

⚠ CAUTION

Do not bridge any of the channels, they are only to be wired in stereo mode.

i Note

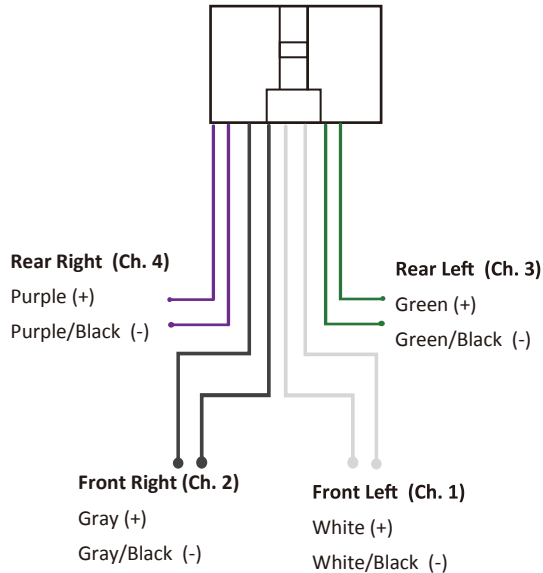

Unused speaker wires need be insulated with tape, heat shrink, or crimp connectors.

Never use wire nuts.

If the speaker outputs are not used, turn **Off** the internal amp to reduce the possibility of noise entering the signal chain.

i Note

Observe speaker polarity when making connections.

● Location to plug in

Connections

Audio Pre-amp/AV IN/ Radio

i Note

Subwoofer Pre-amp is a non-fading mono output.

i Note

Always run signal wires away from power cables to reduce the possibility of noise.

i Note

If pre-amp outputs are being used exclusively, turn **Off** the internal amp of the product, to reduce the possibility of noise entering the signal chain.

Location to plug in

Connections

Camera / USB

WARNING

Never rely solely on the rear view camera; always check your surroundings before proceeding.

Images may appear reversed

Do not use a feature of this product if it cannot be operated safely and legally in your location.

Note

Android device & iOS device playback is not supported from USB port 1.

Connections

Parking Brake

WARNING

Improper connection or use of the parking brake status wire, (i.e. defeating the safety feature) violates Federal, State, and Local laws. This may lead to injury, property damage, and/or death.

WARNING

Watching videos or photos while driving is against Federal, State, and Local laws.

Note

For Android Auto setup, the parking brake status wire **MUST** be connected.

Note

Note

Review the connections of this product, to properly integrate the parking brake wire to the vehicle.

Video and or photos cannot be viewed while driving. The vehicle must be stationary and the parking brake applied to enable viewing.

Lt. Green, Parking Brake Input

**Power/Speaker/SWC/MIC
Harness**

Note

The parking brake input needs to be connected to the power side of the parking brake.

Note

Every vehicle has a different type of parking brake connection; consult a certified professional installer.

Connections

Hands-free Mic

Placement

Every vehicle will perform differently due to layout, interior materials, etc...

The **Red** shaded areas are the recommended locations for best microphone performance.

Items to look for before placement:

1. Do not place in front of air vents.
2. If the vehicle has tweeters placed on sail panels, do **NOT** locate the mic on steering column area.
3. Front of mic must not be blocked.
4. Mic should be firmly attached to mounting location.
5. Do not cover the grille openings surrounding the mic.
6. To avoid excessive wind noise, do not place near the sunroof opening

WARNING

Run microphone wire where it will **NOT** impede the operation of any safety items, i.e. Airbags, Knee Airbags, etc...

Troubleshooting

Issues	Cause	Solution
No Sound	Internal amplifier is off Product is muted External amplifiers Audio source	Go to Settings > Audio > Internal Amp ON Touch the volume. Check the external amplifiers are on. Check the remote output wire has voltage Change the audio source

LIMITED WARRANTY

This product has a manufacturer's warranty against defects in materials and workmanship to the original purchaser for a period of one year from the date-of-purchase (DOP). This manufacturer warranty is non-transferable. The warranty is for repair or replacement at the sole discretion of BOSS AUDIO SYSTEMS (BAS). For service under this warranty you need to return the product to BAS. If replaced, BAS reserves the right to replace it with a new or reconditioned product of the same or similar design.

Your product may qualify for a free extended warranty. Please see www.bosssaudio.com for the qualifications and details of this program.

Obtain Warranty Service

Within the first 30 days from the original DOP, BAS will provide a return shipping label for any defective product shipped from within the 50 US States. After the first 30 days you are responsible for the freight charges incurred to send the product back to BAS. To send a product in for warranty service you will need the following:

- A Return Authorization number (RA#). Please contact our Customer Service to receive a RA#.
- A legible copy of the proof-of-purchase with your name, the name of the authorized dealer, the DOP and the model number of the product requiring service.
- Enclose a note stating the problem or issues with the product, your daytime phone number, email and return shipping address (within the USA, no P.O. Box please).

This warranty does not cover any product subjected to abuse, neglect, incorrect wiring, water or physical damage or any attempt to repair or modify the product by anyone other than an BAS Repair Technician. Any damages, resulting from legal action for breach of expressed or implied warranty shall be limited to the cost of the original purchase price of the product. All liability for coincidental damages are excluded under this warranty. The Customer agrees to retain the original proof-of-purchase for establishing the effective date of this warranty. If BAS or an Authorized Dealer replace your product under warranty, the replacement product shall be considered a transaction under the original warranty, and does not extend the original warranty period.

MOBILE VIDEO PRODUCTS 2 YEAR WARRANTY EXTENSION

BOSS AUDIO SYSTEMS (BAS) will extend the original manufacturer 1 YEAR LIMITED WARRANTY for an additional 2 years if the unit is installed by an Authorized Dealer. The additional 2 YEAR EXTENDED WARRANTY will cover the parts and labor to repair or replace the unit. All other conditions of the original Limited Warranty applies.

Obtain Warranty Service

Customer is responsible for freight charges incurred to send unit back to BAS after the first 30 days from original date of purchase. To send a product in for warranty service you will need the following:

- A Return Authorization number (RA#). Please contact our Customer Service to receive a RA#.
- A legible copy of the proof-of-purchase with your name, the name of the authorized dealer, the DOP and the model number of the product requiring service.
- Enclose a note stating the problem or issues with the product, your daytime phone number, email and return shipping address (within the USA, no P.O. Box please).

This warranty does not cover any product subjected to abuse, neglect, incorrect wiring, water or physical damage or any attempt to repair or modify the product by anyone other than an BAS Repair Technician. Any damages, resulting from legal action for breach of expressed or implied warranty shall be limited to the cost of the original purchase price of the product. All liability for coincidental damages are excluded under this warranty. The Customer agrees to retain the original proof-of-purchase for establishing the effective date of this warranty. If BAS or an Authorized Dealer replace your product under warranty, the replacement product shall be considered a transaction under the original warranty, and does not extend the original warranty period.
